Re: Notification of Oral Ex Parte Contact in WT Docket 95-157

Dear Ms. Dortch:

This letter is to notify you of an *ex parte* contact in WT Docket No. 95-157. On June 15, 2004, Connie Durcsak from the Personal Communications and Infrastructure Association, Christopher Holt, from the PCIA Microwave Clearinghouse ("MWCH"), and the undersigned, counsel to the MWCH, met with Ms. Renee Crittendon and Mr. Lloyd Coward of the Mobility Division of the Wireless Telecommunications Bureau to discuss the MWCH and cost-sharing policies and procedures.

The participants were requested by the FCC to meet and to discuss the history of the MWCH, the membership of the MWCH, how policies and procedures are developed at the MWCH, and the specific MWCH policy with respect to the triggering of obligations where a pre-existing site incurs a cost-sharing liability due to the subsequent relocation of a microwave incumbent. This policy relates to a declaratory ruling request by AT&T Wireless Services, Inc. that has not yet been assigned a docket number by the FCC, although the participants were informed that the proceeding had been determined to be a permit but disclose proceeding.

Should any questions arise concerning this notification, please contact the undersigned at 202.719.3182.

Sincerely,

/s/ Eric DeSilva
